FLYING CIRCUSES OF FAMOUS ACES TO TOUR CITIES

WARLIKE DEMONSTRATIONS TO
BE GIVEN BY BIRDMEN OF
THREE NATIONS

DURING LOAN CAMPAIGN

Exhibitions Scheduled for St. Louis,
Louisville, Memphis and Little
Rock In April.

The greatest flying program the
United States has ever witnessed will
be offered in connection with the com-
ing Victory Liberty Loan. Demonstration
of the flying art as developed
above the battlefields of Europe will
be given to approximately fifty of the
leading American cities by the most
celebrated aces of the United States,
France and England.

Three flying circuses made up of
American, French and British aviators
and flying American planes and cap-
tured German Fokker planes will tour
the United States, giving aerial sham
battles and performing aerial acrobatics
over all the leading American cities,
under the direction of the Bu-
reau of Publicity of the Victory Loan
Organization, Frank R. Wilson, di-
rector. The actual flights will be
under the direction of the Military
Aeronautics Branch of the War De-
partment, with Captain Leon Richard-
son in charge.

German Fokkers.

Fourteen German Fokker planes
captured by General Pershing's men
have landed at Newport News and will
be shipped at once to Washington and
turned over to the Treasury Depart-
ment for the period of the Loan Cam-
paign. These German planes are all
in flying condition and will be used in
all of the demonstrations during the
loan. The best types of American
planes developed during the war will
be demonstrated to the American peo-
ple to show what has been achieved
as a result of the generous response to
Liberty Loan Campaigns.

Among the cities to be visited are
St. Louis, Louisville, Memphis and
Little Rock, in the Eighth Federal Re-
serve District.

A flying squadron made up of Ameri-
can, French and British flyers will
tour each of three districts beginning
April 10th. The eastern tour will be-
gin at Mineola, Long Island; the mid-
dle western tour will begin at New
Orleans and the far western tour at
San Diego. Each squadron will be
carried in a special train of eleven
cars, traveling at night. Nine end
door baggage cars will be required to
carry the seventeen airplanes in each
squadron. Each train will be pre-
ceded by an officer, who will select
landing fields and make arrangements
with local Liberty Loan committees
for the entertainment of the flyers.

The names of the six great British
flyers are not yet known. However,
the United States Government has
been informed by the British Govern-
ment that six of the best British flyers
developed during the war will be here
in time for the tour. The delegation
of eight French flyers has already left
France for the United States. One
of the French flyers has a record of
forty-three victories over German ad-
versaries. Another made 179 bomb-
ing trips over German lines.

Photographs of the Signal Corps will
accompany each squadron. They will
take war photographs of each of the
American cities visited. The general
program to be followed in each city
visited will be as follows: Two Ameri-
can scout planes will rise to drop
Victory Loan literature over the city.
Four German planes will then attack
these two American planes in the air.
Four American planes will then drive
off the German planes and the flyers
will give demonstrations of aerial
acrobatics. Parades will precede the
flights. Citizens will be able to see
the planes unloaded and set up in the
morning and knocked down for ship-
ment after the flights.

LET US SHOW SPEED.

When the "doughboys" were or-
dered to go over the top and drive
the enemy from his positions their
speed and bravery and fighting ability
changed world history. Let us show
equal speed when the Victory Liberty
Loan is offered.

SEE IT THROUGH!

What though the guns begin to
rust,
The fire of war is ash—
What matter if the vineyard land
Forgets the pounding chaff?
We cannot say we saw it through
Until the last bill's paid,
Until the road of peaceful gain
Is staunchly, firmly laid.
We cannot glorify our arms,
The deeds of heroes there,
Until we've nursed them back to
health
And paid the homeward fare.
We loaned our dollars while they
bled,
Now Victory Bonds let's buy
To guarantee the things for which
Our brothers went to die!

GIFTS FROM "Y" HELPED DOUGHBOY

Corporal Irving Abrahams of New
York has just returned from France.
Just because the Y. M. C. A. men
overseas had gone out of their way
to treat him well, he took the trouble
to make his way to the Headquarters
Building of the National War Work
Council, Y. M. C. A., New York City,
and found some one on the 9th floor at
Headquarters to tell how much he ap-
preciated the service of the Red Tri-
angle.

This is just a part of what he said:
"I returned from France on the
27th of January. Have been wounded
three times. Am feeling fine, but the
first time when we landed over in
France in April, 1917, we took the
position up on Chateau Thierry and
the Y. M. C. A. was right with us and
brought up on the firing line choco-
late, cigarettes, and also pears, bi-
squit and done the best and all he could
just to please the boys.

"And in August when we drove the
Germans back he came up under
heavy shell fire and brought us the
same chocolate, cigarettes, and if the
boys didn't have any money he would
give it to us just the same.

"And up on the Argonne Forest he
went under heavy shell fire and
brought up all the candy and choco-
late, and also spoke to the boys to
send our money to our mothers and
which we did, and also he told us to
send our money home and he will do
all he can for us, and also the boys of
the Third Division is very well pleas-
ed of the Y. M. C. A. and also thank
them ever so much; and also when
we got relieved from the Argonne
woods the Y. M. C. A. entertained us,
gave us a grand time, and we thank
the Y. M. C. A. with our full heart and
we shall never forget them.

"So I don't see why the fellows are
coming back from France and kicking
the Y. M. C. A., and I can speak to
anybody and ask them why they are
kicking the Y. M. C. A."
